

## Divine Energy- WATER SOFTENER

Now Get Rid of Hard Water the Smart Way.

PURESOF MaXX, an ultimate solution for all hard water problems. PURESOF MaXX – Water Softener powered by “PUREION Resin Technology” that softens every drop of hard water and provides you with safe and soft water for daily use and consumption.

Puresoft works with zero manual intervention and is truly automatic

### PURESOF MaXX

PURESOF MaXX Fully Automatic Water Softener, is an intelligent, low-maintenance softener which quietly softens water for your whole family. Installed at the primary water inlet to your villa or apartment, it provides centralized soft water for the entire house. The softener uses high efficiency, high performance food grade resin to provide you with uninterrupted supply of soft water.
